

**NONPROFIT  
&  
Corporate Citizenship  
AWARDS**

**June 19, 2012  
Millennium Biltmore Hotel**

**S**OCIAL CAUSES are an essential part of corporate culture and business success. The Los Angeles Business Journal honors those professionals and organizations in the nonprofit world that continue to make a positive impact on the community and do so under difficult financial constraints. Equally as important are the efforts of the corporations supporting these nonprofits. Many corporate executives volunteer time on boards and lend support through financial donations and sponsorships. These awards – presented in ten categories – recognize both equally important groups.
